

Cooper Xu EA, CPA, CGA, MTax

Tax Advisor

Cooper is duality personified. His calm, methodical attention to detail is offset by his giddy enthusiasm for things handled for clients. He also has the rare ability to speak both US and Canadian tax compliance, which means he can consider both sets of tax laws when reviewing client compliance. Handy for clients looking to optimize.

Qualifications:

- Golden Gate University, Master of Science in Taxation, 2018
- Enrolled Agent before Internal Revenue Service, EA, 2014
- Certified General Accountants' Association of Alberta, CGA, 2014
- John Molson School of Business, Concordia University, B COMM, 2011
- Southwestern University of Finance and Economics, B. Admin, 2003

Professional affiliations:

- Member – [Certified General Accountants' Association of Alberta](#)
- Member – [Canadian Tax Foundation](#)
- Member – [National Association of Enrolled Agents](#)

In the News:

- Cooper Xu is quoted in an article entitled "4 tax tips for American-Canadians", February 3, 2016, [advisor.ca](#)
